- Although not required, it is recommended that students submit notarized copies of university transcripts.

Applications received after the deadline will be considered on a space available basis.

The application deadline for all accelerated pre-medical and pre-dental programs is November 1. Please note that applicants to all accelerated programs must also apply to the Albert Dorman Honors College (Part VII).

Transfer Applicants
A student applying for admission as a transfer student is someone who has attended a college or university following graduation from high school. These applicants should complete Parts I, II (Section B), III, V and VI. In addition, transfer students must request that official transcripts be sent directly from each institution the student attended. Transcripts should be sent to the address indicated in "Academic Records" (above).

Students applying to the Art and Design programs are required to submit a portfolio of creative work to be considered in the admissions process. The portfolio submission requirements can be found at art.njit.edu/admissions/

The application deadline for all programs for the fall semester is June 1. The application deadline for all programs for the spring semester is November 15. Those students who apply early can benefit from advance course selection, cooperative education/internship placement, and priority for financial aid.

Students who have attended foreign institutions of higher education must also submit an evaluation of their work from World Education Services, Inc. (www.wes.org) or another approved evaluation service. Academic departments reserve the right to make final decisions on the acceptance of foreign transfer credit.

The readmission application deadline is August 1 for the fall semester and November 15 for the spring semester. Files not complete by the deadline will be withdrawn from consideration; at the applicant’s written request, they may be updated to the following semester.
